IN OUR ESTATE MASTERPLAN

Meet changing demand and widen participation

- Proactively respond to changing demand
- Revolutionise digital learning
- Champion access and inclusivity
- Meet future employer and skills needs

Through active partnerships and innovative approaches, we will transform life chances for young people

Ladders of opportunity, course content and modes of delivery will evolve to reflect the needs of students, employers, the economy and society

Engage every student in a life-changing experience

- Ensure student experience is consistently outstanding
- Reduce attainment gaps
- Inspire and challenge our students
- Promote successful graduate outcomes

Through the Hallmarks of a Portsmouth Graduate we will develop knowledgeable, independent graduates with a global outlook, who are set for success in their future careers and make a positive contribution to society
